Many volunteers are necessary to guide, implement and promote a successful capital campaign. This is a great way to connect with other parishioners and make an impact for the future of our parish. Making a personal pledge is just one way to actively show your support of the capital campaign at St. Vincent de Paul.

Please check all that apply. Thank you for your generosity!

- Host a Meeting**
Host a meeting in your home, office or a restaurant meeting room with friends or work colleagues. A campaign steering committee member will share an overview of the Parish Center and review architectural renderings. This is a fun, social way to engage our parishioners and share information with larger groups.

- Call Team Member**
Join a team to make calls to SVdP families to inform them about the campaign and encourage their involvement. All pledge requests are kept confidential. Your role is to educate and motivate!
